

Jars of Marbles

Life Only Gives You What You Allow Yourself

You can be, do, have, and experience anything you desire.

If you can think about it, you can also think about it in a way to Manifest it into your life.

If there is a dream that you say you have been wanting for a long time that still has not come into your life, look at it with the Marble Jar Concept in mind.

It will easily become apparent that you are Creating the absence of what you want by your primary focus on the absence of what you want.

Life only gives us what we can Allow ourselves through our beliefs.

When your primary focus is on the Presence of what you want - voila your dreams will be Present in your life.

Your Focus Shall Set You Free (or NOT)

Your State of Mind is either on Presence or absence.

Either way you are using God/Life/Energy to Manifest whatever you focus upon.

Focus on absence - Manifest absence.

Focus on Presence - Manifest Presence.

Get two jars of marbles (one blue and one orange) as a reminder of how very important your focus is.

In actuality, there is only Presence.

Presence of what you want (or Presence of what you do not want).

Your Focus shall set you Free.

Peace is a State of Mind.
